**To:** Blake, Ellen [Blake.Ellen@epa.gov]  
**Subject:** Rosemont  
**Attachments:** HudBay Letter 2016-12-28.pdf

The attached letter identifies the following factors as the basis for the District's permit denial.

- Cause or contribute to violations of state water quality standards
- Minimization and mitigation measures were inadequate
- Result in substantial reduction of functions and services
- Contribute to the degradation of Outstanding Arizona Waters
- Adversely affect sediment delivery, hydrological functions, surface water quality and use by humans and wildlife
- Adverse effects on cultural resources and traditional cultural properties important to tribes
